ALMADEN CLOSING NON-BROKERED PRIVATE PLACEMENT

Vancouver, B.C. **Almaden Minerals Ltd.** (“Almaden” or “the Company”; AMM: TSX; AAU: NYSE American) is pleased to announce that it has closed its previously announced non-brokered private placement with the issuance of 3,100,000 units (“Units”) at \$0.65 per Unit (the “Offering”).

Each Unit consisted of one common share of the Company (a “Common Share”) and one non-transferable Common Share purchase warrant (“Warrant”). Each Warrant allows the holder to purchase one Common Share at a price of \$0.90 until August 6, 2023.

The Offering was made by way of a private placement to qualified investors in Canada, United States of America and certain other jurisdictions where the Offering could lawfully be made. All securities issued and issuable under the Offering are subject to a four month hold period expiring December 7, 2020 in accordance with applicable securities laws in Canada, and additional restrictions under the laws of the United States and other jurisdictions in which the Offering was made.

The Company has agreed to pay finders fees of up to \$52,341.25 in cash to arms-length, licensed securities dealers on a portion of the Offering. Almaden intends to use the net proceeds of the Offering to pursue permitting of the Ixtaca project, and for general corporate purposes.

About Almaden

Almaden Minerals Ltd. owns 100% of the Ixtaca project in Puebla State, Mexico, subject to a 2.0% NSR royalty held by Almadex Minerals Ltd. Almaden discovered the Ixtaca gold-silver deposit in 2010.

Forward-Looking Information

Certain of the statements and information in this news release constitute “forward-looking statements” within the meaning of the United States Private Securities Litigation Reform Act of 1995 and “forward-looking information” within the meaning of applicable Canadian provincial securities laws. All statements, other than statements of historical fact, are forward-looking statements or information. Forward-looking statements or information in this news release relate to, among other things: the intended use of net proceeds of the Offering.

These forward-looking statements and information reflect the Company’s current views with respect to future events and are necessarily based upon a number of assumptions. These assumptions include: stability and predictability in Mexico’s mineral tenure, mining, environmental and agrarian laws and regulations, as well as their application and judicial decisions thereon; continued respect for the rule of law in Mexico; prices for gold, silver and base metals remaining as estimated; currency exchange rates remaining as estimated; availability of funds; capital, decommissioning and reclamation estimates; mineral reserve and resource estimates; prices for energy inputs, labour, materials, supplies and services (including transportation); no labour-related disruptions; all necessary permits, licenses and regulatory approvals being received in a timely manner; the ability to secure and maintain title and ownership to properties and the surface rights necessary for operations; community support in the Ixtaca Project; and the ability to comply with environmental, health and safety laws. The foregoing list of assumptions is not exhaustive.

The Company cautions the reader that forward-looking statements and information involve known and unknown risks, uncertainties and other factors that may cause actual results and developments to differ materially from those expressed or implied by such forward-looking statements or information contained in this news release. Such risks and other factors include, among others, risks related to: political risk in Mexico; crime and violence in Mexico; corruption; environmental risks, including environmental matters under Mexican laws and regulations; impact of environmental impact assessment requirements on the Company’s planned exploration and development activities on the Ixtaca Project; certainty of mineral title and the outcome of litigation; community relations; governmental regulations and the ability to obtain necessary licences and permits; risks related to mineral properties being subject to prior unregistered agreements, transfers or claims and other defects in title; changes in mining, environmental or agrarian laws and regulations and changes in the application of standards pursuant to existing laws and regulations which may increase costs of doing business and restrict operations; as well as those factors discussed the section entitled “Risk Factors” in Almaden’s Annual Information Form and Almaden’s latest Form 20-F on file with the United States Securities and Exchange Commission in Washington, D.C. Although the Company has attempted to identify important factors that could affect the Company and may cause actual actions, events or results to differ materially from those described in forward-looking statements or information, there may be other factors that cause actions, events or results not to be as anticipated, estimated or intended. There can be no assurance that the Company’s forward-looking statements or information will prove to be accurate. Accordingly, readers should not place undue reliance on forward-looking statements or information. Except as required by law, the Company does not assume any obligation to release publicly any revisions to forward-

looking statements or information contained in this news release to reflect events or circumstances after the date hereof or to reflect the occurrence of unanticipated events.

THIS NEWS RELEASE IS A MATTER OF RECORD ONLY, AND DOES NOT CONSTITUTE AN OFFER OF THE SECURITIES DESCRIBED HEREIN. THE OFFERING IN QUESTION WAS NOT REGISTERED UNDER THE UNITED STATES SECURITIES ACT OF 1933, AS AMENDED, OR ANY STATE SECURITIES LAWS, AND THE SECURITIES SOLD IN SUCH OFFERING MAY NOT BE OFFERED OR SOLD IN THE UNITED STATES OR TO U.S. PERSONS ABSENT REGISTRATION OR APPLICABLE EXEMPTION FROM REGISTRATION REQUIREMENTS.
